## Welcome! To the “*Living Water*” Summer Bible Verse Writing Plan.

### **The Purpose:**

This Bible study has as its main purpose to **help you approach the one who can give you living water.**

Summer is a very hot season, very similar to life in the desert. And we all go through moments of deserts where we need to be sustained by the water. The Bible has great promises of God, among them a great story of a woman who had been (*for a long time not saying all her life*) a great thirst. It was not a natural thirst; it was a spiritual thirst, a thirst for eternal life. And next to that well where she went every day to draw water, there where she never imagined, she found **salvation.**

I invite you to immerse yourself in this time of Bible study and writing verses in which you can receive a response to your great need. You can do this study in 17 days, 1 month or more! It depends on your study style, time and your desire to be immersed in the word of God.

I know this will be a perfect study for this summer time!  
Enjoy it!

*in love & prayer,*
